Your child has successfully completed the Reading Essentials class this year. In order to keep their reading skills sharp, your child will be participating in the Learning Ally “Summer Reading Together” program. Attached is all of the information you will need for your child to log-in and begin reading.

In addition to your child earning certificates and prizes on Learning Ally they will need to choose their favorite book and complete the poster project listed below. This project will be counted as their first grade of the 2017-2018 school year and is worth 100 points.

Project Description: Divide your poster into six sections and label them using the **BOLD** headings listed below. Use the questions as a guide to tell your audience about the book you read.
