

Pure Imagination Studio is honored to be tasked with providing After school care here at St Martha and St Mary Schools! So let the adventure begin!

Need after school care for your child? We are excited to be a part of your child's end of the day routine. With our Adventure Club, children will have time to shift gears and be the master of their afternoon activities with daily excursion options like cooking, art, science experiments, sample classes in various enrichments and Physical challenge options as well. At Base Camp, open table games, Homework and reading areas will be available for those who just need some quiet time! Each day we offer four, ever changing, half hour "excursions" for children to choose from, 2 per afternoon. Excursions and snack are included in the monthly

Parent Pick procedures

All people authorized to pick up any student MUST be listed on the registration form for security and safety of the children. You MUST Bring in your Car tag and ID for pick up. NO EXCEPTIONS!!! **Late Pick Up** Like yours, our time is valuable, and our families are waiting for us at the end of the day too! We understand that sometimes things happen and cannot be avoided so we will afford each family one grace of 10 minutes per year of tardiness with the hopes that you do not need to use it. After that a **\$5 per minute will be assessed for excessive tardiness.**

We thank you for allowing us to share a bit of adventure with your children each day!
Sincerely, Kristi Mezick – Owner, Pure Imagination Studio
